Introduction of Tonnage Tax

460. SHRIR.S.GAVA1: Will the Minister of SHIPPING be pleased to state:

- (a) whether Government propose to introduce tonnage tax in place of the existing corporate tax for the shipping companies;
- (b) if not, the reasons therefor;
- (c) whether it is a fact that the existing effective tax rate for Indian Shipping Companies is much higher than that of other countries;
- (d) if so, the reasons therefor and its impact on the development of shipping industry; and
- (e) the steps proposed by Government to rationalise the tax structure?

THE MINISTER OF STATE IN THE MINISTRY OF SHIPPING (SHRI HUKUMDEO NARAYAN YADAV): (a) to (e) This Ministry's proposal for introduction of Tonnage Tax in lieu of existing Corporate Tax for the Shipping Industry is under consideration of the Government of India. In so far as higher tax rate for the Shipping Industry in India *vis-a-vis* other countries is concerned, although no comparative study has been made to assess the incidence of direct taxation, the Indian Shipping Industry has been representing that the same is not on comparative par with the rest of the Maritime countries. As regards rationalisation of tax structure, it is an ongoing process, subject to overall fiscal environment of the Indian Economy.
